WHO WE ARE

Your trusted outsourced accounting partner.

Shiv Accounting and Business Services was founded in 2019 by Kailash Dabhi as a small bookkeeping practice in Gujarat, India. Today we are a growing team and a trusted outsourcing partner for US CPAs, small businesses, law firms and e-commerce companies.

We combine 5+ years of hands-on accounting experience with strict attention to US standards — so our clients get clarity in their numbers and can focus on growth.

OUR MISSION

Empower US businesses and CPAs with accurate, tax-ready and cost-effective accounting, bookkeeping, payroll and trust account solutions.

OUR VISION

To become the most trusted offshore accounting partner for US clients — delivering seamless service with professionalism, accuracy and transparency.

"Your financial data is handled by experienced professionals with a commitment to accuracy, confidentiality and compliance."
